TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 09-01

NOTICE TO NAVIGATION INTERESTS:

TENNESSEE-TOMBIGBEE WATERWAY, MISSISSIPPI

Notice is given to mariners that the navigation lights on several stork structures are not functioning. These structures are located on the Tennessee-Tombigbee Waterway just north of Mile Marker 327.38. There are two structures on the east side and three structures on the west side of the river. The current high water condition does not allow the necessary navigation light repairs to be performed.

Mariners are encouraged to exercise extreme caution when transiting this area.

For further information regarding channel restrictions, please contact Mr. Allan Brewer, Tenn-Tom Project Office at (662) 327-2142.

STEVE L. HRABOVSKY
Chief, Navigation Section
