

U.S. ARMY CORPS OF ENGINEERS

BUILDING STRONG.

September 1, 2010

TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 10-29

NOTICE TO NAVIGATION INTERESTS:

Notice to Navigation Interests
Alabama River Waterway, Alabama

The schedule of operation at Millers Ferry Lock and R.F. Henry Lock on the Alabama River will change effective September 12, 2010. Both locks will be manned from 6:00 AM to 4:00 PM each day, seven days a week. Additionally, commercial towing vessels will be locked by appointment outside the normal hours of operation.

We ask that commercial towing vessels requiring lockage outside normal operating hours notify the lock 24 hours in advance of anticipated arrival in order to facilitate scheduling of lock operators. Actual arrival time can be further discussed and refined between the Towing Vessel and Lock as the vessel progresses.

Claiborne Lock will continue to be manned 24 hours a day, seven days a week.

Mariners are reminded that Claiborne Lock will close at 6:00 AM on September 8, 2010 and re-open on October 7, 2010. R. F. Henry Lock will close at 6:00 AM on October 19, 2010 and re-open November 18, 2010.

STEVE L. HRABOVSKY
Chief, Navigation Section
