NAVIGATION BULLETIN NO. 10-30

NOTICE TO NAVIGATION INTERESTS:

DEER ISLAND, BILOXI HARBOR, MISSISSIPPI

Notice is given to mariners that the Mike Hooks, Inc. Dredge "E .STROUD", is performing dredging operations under the Mississippi Coastal Improvement Program (MSCIP) at Deer Island, near Biloxi, Mississippi. The dredging project consists of repairing a breach on the west end of the island and restoring sections along its south side. The dredge will be removing material from an approved borrow area off the south shore of Deer Island to execute the breach fill and restoration work.

The dredge is expected to be operating at this location for approximately four (4) months, utilizing a combination of floating, submerged, and shore pipe. The dredge will be working 24 hours per day, 7 days per week, and may be reached on VHF-FM Channels 13 and 16.

Mariners are urged to exercise extreme caution when transiting this area.

For further information, please contact Mr. Justin McDonald at the Irvington Site Office at (251) 957-6019.
