NAVIGATION BULLETIN NO. 10-47

NOTICE TO NAVIGATION INTERESTS:

GULFPORT HARBOR, MISSISSIPPI

Notice is given to mariners that the Manson Construction Company's hopper dredge "GLENN EDWARDS" began dredging on 5 November 2010 under the Gulfport Harbor Channel Improvement Widening Project. The "GLENN EDWARDS" is working along with their hopper dredge "BAYPORT" in the Gulf Channel progressing northward, widening both sides of the existing channel. The dredged material removed from the Gulf Channel is being disposed into a designated ocean disposal site near to the Chandeleur Islands. This work will continue until further notice. The contractor will be employing an additional hopper dredge in the future to perform this project at which time a navigation notice will be issued. The dredge plant can be contacted on VHF-FM Channels 13 and 16.

Mariners are urged to exercise extreme caution when transiting this area.

For further information, please contact Mr. Wylie Groves the Irvington Site Office at (251) 957-6019.
