NAVIGATION BULLETIN NO. 11-40

NOTICE TO NAVIGATION INTERESTS:

TENNESSEE-TOMBIGBEE WATERWAY, MISSISSIPPI

Notice is given to mariners that Manson Construction Company's pipeline dredge "LEONARD J" continues dredging on the Tennessee Tombigbee Waterway. The "LEONARD J" will be dredging several assignments between river Mile 306 and 288, Gainesville Lake. Dredging operations are expected to continue at these locations for approximately four weeks. The dredge will be working 24 hours per day, 7 days per week, and may be reached on VHF-FM Channels 13 and 16.

Mariners are urged to exercise caution when transiting these areas.

For further information please contact Mr. Allan Brewer at the Tennessee Tombigbee Waterway Project Management Office at (662) 327-2142, or inquire at the locks along the waterway for the current location of the dredge and attendant plant.

CARL E. DYESS
