NOTICE TO NAVIGATION INTERESTS:

### TENNESSEE-TOMBIGBEE WATERWAY, MISSISSIPPI

#### SCHEDULED CLOSURE OF RANKIN, MONTGOMERY & ABERDEEN LOCKS

Reference is made to Navigation Bulletins No. 12-15, dated June 5, 2012, No. 12-19, dated August 16, 2012 and No. 12-21, dated September 6.

Inspections have revealed some issues with the lower gates at G. V. "Sonny" Montgomery Lock that will require additional time for repair. The current estimate is that the closure will be extended to 6:00 P.M. on September 18, 2012. After an extensive inspection this weekend, we will have a more complete estimate on the repair time and will issue another Navigation Bulletin on Monday, September 17.

Aberdeen and Rankin Locks are expected to open to traffic on Saturday, September 15 as referenced in the previous Navigation Bulletins.

For further information please contact Mr. Allan Brewer at the Tennessee-Tombigbee Project Management Office at (662) 327-2142.
