DISCLAIMER

Access Constraints: The US Government furnishes this data and does not warrant, express or implied, that the data is accurate, complete, or reliable. The US Government makes no warranties, expressed or implied, concerning the accuracy, completeness, readability, usability, or suitability for any particular purpose of the data. The data is provided "as is" and the user assumes all responsibility for any use made thereof. This data belongs to the Government. Therefore the recipient further agrees to represent, defend, indemnify and hold the Government harmless from and against any and all claims, damages, costs, and expenses, including reasonable attorneys' fees, that may be incurred by the Government or any other party as a result of the use of this data by the recipient. The recipient also agrees to transfer this data to others without disclosing this disclaimer.

Distribution Limitation: The data represents the results of data collection/processing for a specific U.S. Army Corps of Engineers activity and indicates the general existing conditions. As such, it is only valid for its specific intended use. Some times the accuracy results of any application of the data for other than its intended purpose.
